

June 23, 2010

Dear Friends;

On behalf of Autism Calgary, R&B Oilfield Rentals Inc. and the tournament committee I am pleased to invite you to join us at the 2010 Autism Calgary Annual Golf Tournament to be held on Monday, August 30, 2010 (\*\*New Date\*\*) at the beautiful Redwood Meadows Golf & Country Club. Each year corporate sponsors, individuals, NHL players and staff come together to make a positive impact on families and individuals living with Autism Spectrum Disorder in Calgary and Area. Please consider having your company join us this year to enjoy a relaxing day that will provide an opportunity to network, share golf tips, and have fun. If however, you are unable to join us, please be sure to consider your indirect support at this event.

***On average one in 110 children are now diagnosed with Autism Spectrum Disorder (ASD.) This means ASD is the most common form of any neurological disorder or severe developmental disability of childhood. Since there is currently no known cure, ASD will have an impact on the family through the lifespan.***

In caring for an individual with an Autism Spectrum Disorder, families and caregivers face overwhelming challenges in advocating and managing complex intervention programs, struggling to meet the needs of each family member, and maintaining healthy supportive relationships in the community. Autism Calgary as a registered charity brings hope and helps meet the needs of families and individuals by providing information, referral, peer to peer networking, and community education programs.

Your financial support will have a direct positive impact on families and individuals living with Autism Spectrum Disorder. Specific details of how you can help through either direct or indirect sponsorship are enclosed. A volunteer on our tournament committee will be following up with you in the next couple of weeks. Alternatively, forward questions to Lyndon Parakin, Executive Director for Autism Calgary at 403-250-5033 extension 223 or e-mail [golf@autismcalgary.com](mailto:golf@autismcalgary.com).

Sincerely,

Mike Uhrich  
Tournament Chair
