Autism Calgary Association (ACA) serves as the unity of families, caregivers and supportive professionals collectively striving for a supportive, accepting and understanding community for individuals and families living with Autism Spectrum Disorder (ASD) in Calgary and area.

As a membership based non-profit organization run 'by families — for families' we rely on your generosity and the donations of our members and the community! We have no government stream which funds us. Every dollar goes towards helping individuals living with ASD and their families live meaningful and purposeful lives in a community that values them. We are a registered charity and our charitable number is 141096701 RR0001.
